FRANKFORT, GERMANY
JAN. 22:'52

DEAR REECES:

Well, I guess it's about time I wrote you a letter and told you how I'm getting along over here in Germany. Actually, we have a pretty good deal here. We are only a few air miles from almost any place in Europe--and we have flights leaving here every weekend, to Rome, Paris, London, etc., at no cost to us!

So far, I've been to Amsterdam and Potordam, Holland--London, England, and quite a few places here in Germany. Next month I'm planning to go on a flight to Oslow, Norway, to see the winter Olympic games. In seeing all these places, however--it only proves one fact to me--"There's no place like home!"

I have been getting the Byline quite regularly, and you have my thanks for a good job--well done! However, there are a few small changes in my address, which you will please note below. Also, enclosed you will find a picture of yours truly--all I ask is--NO BLACKMAIL,PLEASE!

Sincerely,Phillip Bollinger.

(EDITORS NOTE: In case some of you would like to write to Phil--here's his complete address: "CPL. PHILLIP E. BOLLINGER--AF19384016--HQ. SQ. 433rd T.C.Wg. APO 13--c/o POSTMASTER, NEW YORK, N.Y.)--Thanks, Phil, for the swell letter and picture. My, my---seems like you are on a regular "Cook's Tour" over there! Well, more power to you, folla! See all the country you can now---because in later life one sort of forgets to get curious to see what is on the other side of the mountain!

Another letter:

SOMEWHERE OVERSEAS
Jan. 15:'52

Dear Gladys:

I have been planning to write and mail this letter to you for sometime. I just couldn't find the words to thank you and the Brisbane Lion's Club for myself and the rest of the boys, for all the things you two have done for us. Of course, you know I don't live there in Brisbane anymore, as my wife and son are now in Orange, California, and I go there when I'm not flying. However, I still know everyone there in Brisbane, and hope they have all the happiness they deserve.

I must close for now, as I am flying more supplies into Korea in twenty minutes.

Your friend,
SGT TED VAN KIRK.

Thanks, Ted--for them kind words. Orange, California--fiddlesticks! You are a Brisbanite from 'way back, and you know it! Inkadinkly, congratulations on the new Sergeant rating. (ALL RIGHT, YOU GUYS, LET'S SEE A LITTLE ACTION AROUN' HERE!!) Seems like Brisbane has more Sgts., Cpls. and Lts., than PVTs. and PFCs.! We're awaitin' until we gets a billy-doux from one of youse birds signed "General So and So"---then we'll have a bang-up celebration, you darn botcha!

** * * * * * * * * * * * *

We got a letter from the Public Information Office at Lackland Air Force Base in Texas, telling us that Pvt. Walter Douthat, son of Mrs. John Davis of Brisbane Acres, is completing his course at Lackland AF Base. They also sent a nice picture of him in Airforce Uniform.

The Navy's Curt Richards is home on leave for a few days from his base at San Diego--and T?Sgt Hank Shultz, USMC, will celebrate his "Umptieth" birthday on Wed. January 30th. (Him and Eddie Cantor, and the late President Roosevelt!)

TAGGART TO RUN ON DEMOCRATIC TICKET:

Harold F. Taggart, Dean of Men at San Mateo Junior College, and a veteran of both World Wars, recently announced his candidacy on the Democratic ticket for the office of United States Representative from the new Ninth Congressional District of San Mateo County.

Taggart made his intentions known when he filed a letter requesting party endorsement with officials of the Democratic County Pre-Primary Convention to be held in San Mateo on February 23rd. At this time delegates from all of the County precincts will meet to endorse a single slate of candidates for the following legislative offices to which San Mateo County is now entitled: two State Assemblymen, One State Senator, and One United States Congressman.

Taggart is the second Democratic applicant for the Congressional seat. Earlier this month, Victor G. Bisacca, San Mateo City Councilman, declared he would run for the same office. Both agreed to abide by the decision of the Pre-Primary Convention and to support the candidate endorsed by it.

Letters from candidates requesting endorsement by the Pre-Primary Convention for all legislative offices must be filed with Marion H. Kent, Convention Official, 1181 Burlingame Avenue, Burlingame, Calif. Deadline for sumitting these letters has been set as February 14, by Roy Seagraves, Convention Committee Chairman.

REPORT FROM BRISBANE P.T.A.:

"To Spank, or Not To Spank", --that was the question at last Thursday's meeting of the Brisbane Parent-Teacher's Association, held at the Brisbane Elementary School on Thursday, January 24th.

On hand to answer the age-old problem was Mr. Robert Sears, member of the Mental Health Society of San Mateo County, and personal counselor. Mr. Sears believes that each child is an individual, and in order to answer this, parents were invited to discuss with him and the group their own experiences in discipline--while conclusions were written on a blackboard for all to study. Giving a child a feeling of security and of being wanted was a dominant point. Teaching right from wrong is essential. Learning to recognize the development and potentialities of the child, and encouraging ability and confidence along these lines was mentioned. Absolute obedience, it was concluded, could not be expected from the young child at all times. However, there are a few instances when absolute obedience should and must be observed. The group, including Mr. Sears, conceded that there are a few times when a spanking is perfectly in order.

On the business agenda was the nomination for five members to serve on the nominating committee for new officers for the unit. Mrs. Edward R. Whitson read rules regulating these nominating officers. Chosen to serve were Miss Lois Berry, Principal,--Mrs. Ralph H. Pueschel--Mrs. Benjamin A. Evans--Mrs. Richard G. Wright, and Mrs. Milton G. Hansen.

The minutes of the last meeting were reviewed by Mrs. Ira Romrielle--Treasurer's report by Mrs. Richard Wright. Mrs. Donald Jorgenson, Salvage Drive Chairman, gave a report on the results of the recent Salvage drive (which will continue through the 31st of Jan.)--

There will be a rummage sale shortly after of wearable clothing, selling for five or ten cents per item. Plans for a Valentine Day party for the children will be discussed at a meeting of the Room Mothers this Wednesday. Mrs. Roy Edwards, extended an invitation to all to attend Founders Night meeting, Feb. 28th, when past presidents will be honored. In charge of Founder's Night proceedings will be Mrs. William R. Wipprecht.

A humorous skit "How the Carrots Grew" was presented by Miss Laycock's second graders. Refreshments were served by Mothers of the third and fourth grades.

COUNTY'S EMPLOYMENT DOWN-BECAUSE OF RAIN

Total employment in San Mateo County dropped markedly last month, but the decrease was seasonal, it was announced by Irene Berman, manager of the San Mateo office, California Dept. of Employment.

Layoffs of construction workers continued as rainy weather hampered building activity. Cannery employment also dropped during the month.

The principal unemployment group was comprised of carpenters, plasterers, cement workers, painters, lathers, operating engineers, waitresses, and cooks.

Others seeking employment included experienced salespersons and unskilled clerical workers. A large number of salespersons are looking for jobs, apparently because of post-Christmas layoffs.

On the other hand, there is a strong demand for electronic technicians and engineers, mechanical draftsmen, and engineers, machinists, tool makers, stenographers, typists and bookkeepers.

There is little opportunity for unskilled women and young workers without work experience, Miss Berman said.

571 DRAFTED FROM COUNTY SINCE 1948:

A total of 571 youths have been drafted by the two San Mateo Co. draft boards during the past 3½ years, it was announced recently. The selective service office opened in June, 1948, but closed down a year later. The office reopened in July 1950, after the Korean War broke out. Most of the total of 571 inductees were drafted since the office reopened.

DELBON STARS AGAIN!!

Led by sharpshooting Don Delbon, the Jeff High Indians rolled over the hapless San Mateo Bearcats, 64-41 last Friday night, January 25th, on the Jeff's court.

San Mateo's 130's salvaged something from the evening by trampling the Indian lightweights by the lopsided score of 52 to 28.

The Matean machine refused to op; the Indians jumped quickly to a 13-4 score and the first quarter closed at 16-6. Their lead increased steadily in the 2nd period with Delbon doing most of the bucketing. The stocky sophomore scored 13 counters in the 1st half.

The Indians were held slightly in check in the last half. They could only add four to their 19 point halftime margin. Delbon finished with 21 points for his night's work. Ron Venturelli of the 'Cats dumped 13 points through the hoop.

In the lightweight contest the Mateans poured it on from the start. They shut out the Jeffs 11-0 in the 1st period. The Indians scored four points in the 2nd quarter, but the Bearcats doubled their total.

In the final quarter even the San Matean substitutes pulled steadily away from the Indians. Bucky Kahler paced the winners with 15 counters flicking the net. Greedy little Elmer Yamada played an outstanding floor game harassing the Jeffs on both defense and offense. Dick Rosa scored 12 counters to pace the Jeffs.

Lineups on the Jeff's teams are as follows: VARSITY:--Blanchard, Tranahas, Delbon, Hutchinson, Borgerser, Davis, Wilson, Calerio, Traukis, and Maguino. THIRTIES:--Babkirk, Bollinger, Rosa, Coffman, Calauto, Carroll, Cryer, Frost, and Leslies.

S.F. CAR-STRIPPERS CAUGHT IN BRISBANE:

Deputy sheriffs intensified their efforts to crack a North San Mateo County car-stripping ring on the heels of the arrest of two men caught dismantling a stolen car earlier this week. Stanley Portney, 19, and Ralph Friend, 18, both of San Francisco, were booked at the county jail for car theft.

They denied being part of the ring, however, and claimed that they had stolen just one car. Chief Deputy Sheriff Walter H Moore said that since October ten cars stolen in San Francisco had been abandoned in the North Coastside area after they were stripped. Moore estimated that the theives got more than $500 worth of accessories and parts from each car. The cars were all late model vehicles.

The two San Francisco youths were arrested by Deputy Sheriff William Kruger early this week when he caught them stripping a 1941 model coupe in the Brisbane tunnel. A check showed the car belonged to John P. Monjoule of Los Banos, and the youths admitted stealing it in San Francisco the night before.
